
Age for participation at the Championships 2018

U21 (Boat - and Shore Angling)

1996	1997	1998	1999	2000	2001	2002	2003	2004	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018
↑ naissance	↑ 1	↑ 2	↑ 3	↑ 4	↑ 5	↑ 6	↑ 7	↑ 8	↑ 9	↑ 10	↑ 11	↑ 12	↑ 13	↑ 14	↑ 15	↑ 16	↑ 17	↑ 18	↑ 19	↑ 20	↑ 21	↑ 22

For U21, the competitors must be born in 1996 or later. At the beginning of 2018 they will have 21 years or less, so they are allowed to fish the whole year in that category. Maybe they have already 22 at the moment of the championship (depending on the date of the Championship). This is a decision of the congress 2016 in Setubal. The reason is that a nation must be able to make selections and to compose a team even if they do not know the exact date of the championship.

(The competitors for Shore and Boat Angling having 17 to 21 years between the 1st of January and the 31 of December of the year of the championship can participate as U21)

U16 (Shore Angling)

For U16, the competitors must be born in 2001 or later. At the beginning of 2018 they will have 16 years or less, so they are allowed to fish the whole year in that category.
