

# GET FISHING FOR WELLBEING – OPERATOR ASSURANCE PROCESS

The Angling Trust is committed to have the highest operating standards for all approved and recommended third party organisations.

To achieve this aim and provide an easily recognisable standard for people wishing to use your services we are asking you to complete the checklist, provide evidence of adherence and return them to **wellbeing@anglingtrust.net**

We will also provide any support to complete any area that you are not able to currently supply. This process will be completed on an annual basis.
